2. The NBTA assists the NBSRT by providing secretarial, copying, and administrative services, together with meeting space within the limits imposed by its own needs and demands.

BY-LAW 9: BRANCH RESOLUTIONS TO THE AGM

Branches may submit resolutions to the AGM as a means of providing input about policies, by-laws, and priorities, etc., keeping in mind that there are other ways to contribute input, such as through Branch representatives on the Board of Directors.

A. Procedure

1. Branch resolutions may originate with one member, or a small group: however, resolutions submitted to the AGM for consideration shall have the support of the Branch. There are no individual resolutions, only Branch resolutions to the AGM.
2. Branch support of a resolution shall be expressed by a motion passed by the membership at a Branch AGM, or by a motion passed at a meeting of the Branch's "*board of directors*" (the Branch Executive with Branch Committee Heads, a Rep Council, or some other local equivalent to a board of directors).

B. Late Resolutions

1. Branch resolutions shall be submitted no later than March 15th prior to the AGM.
 - a. Resolutions submitted after the deadline will not be considered.
 - b. Resolutions from the floor of the AGM will not be considered.
2. Late resolutions may be considered if:
 - a. The Branch resolution was passed by the Branch AGM (**not** the Branch's "*board of directors*"), **AND**
 - b. A 2/3 majority of the NBSRT AGM delegates vote in favour of bringing the late resolution(s) forward for discussion.

Note:

- Definitions: A ***Motion*** is a proposal from a member, and is usually put forward verbally. A ***Resolution*** reflects the general opinion of the membership and is written and recorded.
- Format and wording for resolutions should follow the examples provided in the template available on the NBSRT website.
- Editing may be required for standardization before the proposed resolutions are published for the membership to consider prior to the discussion and vote at the AGM. Edited resolutions will be sent back to the Branch before publication to confirm that the intent of the resolution has not been altered.
- It is possible that some submitted resolutions may be outside of the NBSRT's ability to handle. For example, resolutions related to pension and/or group insurance matters should consider the authorities of *Vestcor* and the NBTf Group Insurance Trustees, and that unilateral NBSRT action is not possible.

ANNEX A – Conduct of An Election

A. General Principle Guiding the NBSRT Provincial Returning Officer

As is the case with returning officers associated with Civic, Provincial, and Federal elections, it is the responsibility of the NBSRT Returning Officer and his/her designates (Branch Officials) to organize and conduct a proper election according to accepted practices.

B. Duties of The NBSRT Provincial Returning Officer

1. Meet with NBSRT Executive members no later than September 30th to review the election timeline and the process for an election to be held the following Spring; including items that are considered “reasonable expenses” that the NBSRT Returning Officer has the authority to approve.
2. Preside over a meeting with Branch Presidents to review the election process. This meeting may include information on:
 - Clarifying the role of the NBSRT Returning Officer as the election’s official voice
 - Reviewing important timeline dates
 - Explaining *online voting* if the election is to utilize this method
 - Discussing various ways to publicize and conduct the election, keeping in mind that it is the members’ responsibility to ensure they make arrangements to receive a ballot if unable to attend an official polling station or participate in an online vote.
 - Preparing *ballots*
 - Using the *tally sheet*
 - Reviewing a list of acceptable election expenses
 - Answering questions from the branch membership
 - Placing an emphasis on conferring with the Returning Officer if unsure about any issue or procedure.
3. Count and collate all voting results (online, write-in, traditional)
4. Preside over a meeting to count/collate ballots to determine successful candidates. The members responsible for counting/collating ballots to determine a winner(s) shall consist of a) the Returning Officer, and b) two Assistant Returning Officers. Members of the Executive whose names do not appear on the ballot for any office may also be included.
5. Communicate election results to all candidates immediately after the results have been verified.
6. Prepare an Election Report for the NBSRT Fall Directors Meeting.

C. Voting Methods

Online voting is the preferred method for carrying out NBSRT elections, however, other methods may be used in conjunction with online voting or by themselves.

1. Online Voting – Members with a valid email address, and who wish to vote, shall use the online voting method unless otherwise directed by the NBSRT Returning Officer.
2. Write-in Ballots – Members who do not have a valid email address, and who wish to vote, may use a write-in ballot by requesting a write-in ballot from the NBSRT Returning Officer, and by supplying a stamped, self-addressed business envelope.
3. Traditional Voting – This method of voting may be used when online voting is not practical. Members whose name appear on an official *Voters' List* must attend a polling station in their own branch if they wish to cast a traditional “paper ballot” at a face-to-face vote.

NOTE: Members who are physically disabled, or who may otherwise be unable to attend a branch polling station, may request a write-in ballot or an online ballot, whichever is available.

D. Branch Election Expenses

Branches may claim for reasonable election expenses that could include:

1. The cost of mailing election materials back to the Returning Officer at the end of the election process.
2. The cost of duplicating election ballots for the number of members who would be reasonably expected to appear at a polling station to vote during a traditional vote.
3. Other reasonable costs that must have the prior approval of the NBSRT Returning Officer before being authorized as claimable expenses.
